December 28, 2021

Dear Corporate/Business Friend of the Oregon Senior Center,

The last couple of years with the COVID Pandemic has changed our way of life, thus changing the Center.

Since March of 2020, we have struggled to keep the seniors provided for. Our mission is the same, to help seniors remain at home with their dignity, independence, and self-worth.

Though difficult we are continuing many of the same beneficial and essential activities and programs: medical screenings, informative health and wellness programs, educational speakers, nutritional programs, and transportation services. The activities and programs have been enhanced to follow the safety guidelines. Social distancing, personal protective equipment (masks), and sanitizing is of the utmost importance. Keeping staff and the seniors healthy and safe is our main responsibility. During the last part of 2021, we have gradually opened our doors. By spring of 2022, we hope to be fully open again.

We need your support now more than ever. Your generous support will help the Center to continue to offer the vital services that the seniors depend on to sustain them physically, mentally, and emotionally.

In return for your contribution, your name will be placed on our monthly newsletter in the Business/Corporate Members section which reaches more than 600 homes and local businesses each month and our Center's website. Additionally, we will prominently display your name in our reception area for all to see.

We have all had a tough couple of years. Perhaps you might find it rewarding to offer interaction by volunteering personal and/or business involvement. At the end of the day, it feels wonderful to be appreciated.

Please complete the enclosed 2022 Corporate Membership form and return it to us today. As always, we are incredibly GRATEFUL for your support and generosity, and promise to put your donation toward benefiting area seniors. We look forward to partnering with you throughout the New Year...2022.

Sincerely, Paula J. Benton, Executive Director
